### **Reviewed, discussed and voted on the WIAA Amendments**

See attached spreadsheet with the District 6 votes. The votes were corrected to reflect that there was 1 to many votes from the B Schools and on the amendments that involved middle school, Todd Eggers votes were added in. This meant that for HS only amendments the total reflected should be 27 and for ML only and combined HS/ML amendments the total reflected should be 28.

Our representative will vote on-line after receiving instructions from the WIAA Office.

Issues: Discussed the process for this meeting and approved keeping the same for next year. Reminded everyone that the seasons next year are 1 week later, so spring State Championships will be the weekend after Memorial Day.
